filing of the above-captioned application.

Documents FA to FJ are not in the English language. However, the concise explanation of the relevance of the documents required under 37 C.F.R. §1.98 is believed to be satisfied by the submission of English language abstracts thereof. Please note that the abstracts submitted with documents FG, FH and FJ are abstracts of the patent application publications of the documents.

Documents DA to DC are in the English language. Therefore, no concise explanation of the relevance of the documents is believed to be required under 37 C.F.R. §1.98.

Documents FA to FF have been cited in the International Search Report of the present application. A copy of the search report is being filed concurrently herewith. The relevance of each document is also discussed in the International Search report. Please note an Examiner's obligation to consider documents cited in an International Search Report according to the provisions of MPEP §1893.03(g).

Document FA has also been cited in a Preliminary Examination Report of the present application. A copy of the report is being filed concurrently herewith.

Documents FG, FH and DA are described in the paragraph
